### **ALL DATES ARE SUBJECT TO CHANGE ON SHORT NOTICE BASED ON CURRENT COVID CONDITIONS**

\*\*Please note, all core rotations are encompassed wherever possible, within a single month calendar span. If the 4 weeks begins or ends in another calendar month, we can adjust start/end date so it helps alleviate overlap of students.

These dates can be adjusted to 4 weeks to accommodate core rotations or electives less than 5 weeks

CBW are for the student's awareness only, do not have any effect on the rotations dates.
