

Dear Students,

Parking Permits for the 2023-24 school year will be available beginning **Monday, July 24, 2023, at 9:00 am**

Instructions

- Go to <http://parking.udayton.edu>.
- Everyone is required to apply on-line.
- Click "Get Permits". Click "Affiliated Login" and input your University of Dayton username and password. Enter passcode for "two-factor authentication" and click "next". Continue through the process until you reach the payment receipt page.
- All citations must be paid.
- First year resident students will not be permitted to bring vehicles to campus.
- Resident students will be given priority according to class. You will have the opportunity to select your parking lot based on **space availability**.
- Apply before the start date of the next class in order to receive priority.
- **Please be very careful with your lot selection. Once you have selected your lot it cannot be changed.**
- **When permits have sold out for a particular lot, permits will no longer appear available for sale.**
- Each class can continue to apply for a permit until all permits are sold.
